The system provides radio interoperability from any device with an internet connection. They have already deployed it among their command staff. It also offers some great event management tools that their emergency management team is exploring for event management this year. They are in backgrounds because of their staffing process last month and have three vacancies to fill.
- Jeffcom ECC Mr. Streeter advised that last week they had their ribbon cutting. The early part of the week they finalized their move and are now 100% operational (at 440 Indiana St) as of Tuesday afternoon about 3 PM. The transition from 433 to 440 went very well. Hi Jeff,

I wanted to provide you with a few updates on **Lookout Alert** and related projects:

## 1. IPAWS TSSF Virtual Tabletop Exercise:

- o I'll be attending this exercise, which runs at the same time as the JCECA meeting.
- Focus will be on reviewing external messaging procedures—specifically, when and how Lookout Alert should be used for various types of emergencies.

## 2. Social Media Engagement:

- February's "Plan Ahead for Emergencies" Lookout Alert sign-up post received 1.6K views.
- January's post had **2.2K views**, showing continued community engagement.

## 3. Training & Policy Refinements:

- Conducted **two training sessions** for **Broomfield Dispatch**, focusing on refining internal alerting policies and reviewing procedures on **when and how Lookout Alert should be used**.
- **Continued in-house training for Jeffcom alerting authorities** to ensure readiness and consistency in emergency notifications.

#### 4. Wildfire Forum – May 2025:

• Working with **Evergreen Fire Department** and **Conifer Fire** to coordinate a **Wildfire Forum** focused on emergency preparedness and public education.

## 5. Public Assistance Enhancements:

- Working on obtaining another **dedicated landline** to help **field phone calls** from the public regarding Lookout Alert sign-ups and FAQs.
- Established an email for public inquiries: emergencynotifications@jeffcom911.org.
- A dedicated phone line will be available soon to further assist with sign-ups and general questions.

## 6. Legislative Review:

 Reviewed SB031\_L\_003 and its recent amendments for any potential impacts on emergency notification processes.

Let me know if you'd like additional details.

Thanks, Kevin
