

Adams County Data Exchange Agreement

This Agreement is made this 9th day of April, 2009, by and between Adams County, Colorado, a political subdivision of the state of Colorado ("Adams County"), and Jefferson County Emergency Communications Authority (JCECA) ("City/County/Agency").

WHEREAS, the exchange of data provides a mutually beneficial arrangement that decreases data development costs and improves the availability of public information; and

WHEREAS, the parties desire to participate in a data exchange program to improve public service and provide better access to more complete and reliable data.

NOW THEREFORE, the Parties desire to enter into this Data Exchange Agreement to provide for the exchange of the categories of data identified in Exhibit A, attached hereto and incorporated herein.

I. Term and Conditions

- a) The Parties shall provide at least one annual update of exchanged data.
- b) The Parties will make diligent efforts to provide regular updates of exchanged data to the other party to ensure current and accurate information.
- c) The Parties will provide a contact person to facilitate the exchange of data.

II. Limitations/Miscellaneous

- a) The data provided between the Parties is public information and must be accepted and used with the understanding that the data was collected for the use and purpose of the providing Party. The Parties will not be held liable as to the validity, correctness, accuracy, completeness, and/or reliability of this data. The Parties assume no liability whatsoever associated with the use or misuse of this public information.
- b) Data provided is the exclusive property of the providing Party. This data may be protected under United States copyright law and International copyright treaties and conventions. No part of this data may be reproduced or transmitted in any form or by any means, electronic or mechanical, or by any information storage or retrieval system, except as expressly permitted in writing by the providing Party.
